

A HIGHLY UNUSUAL PAIR OF REGENCY STORM LIGHTS
WITH PAINTED SHADES ATTRIBUTED WILLIAM COLLINS

£19,500

REF: FA919

Height: 44 cm (17.3")

Diameter: 24.5 cm (9.6")

Description

A highly unusual pair of Regency storm lights with elaborately decorated bell shaped frosted shades, painted with a Greek key pattern rim, initialled wreath and floral bands. The shades are mounted on an ornate square, ormolu and bronze base, with corresponding key pattern mount on foliate socle, all supported upon griffin style feet.
