

A PAIR OF LATE 19TH CENTURY GILT BRONZE BOWL LIGHTS
BY FARADAY & SON

£4,850

REF: FA1482

Height: 59 cm (23.2")

Diameter: 24 cm (9.4")

Description

A fine pair of late 19th century period bowl lights, combining the brilliance of cut glass with the opulence of finely cast gilt bronze. Each light features a deeply cut glass globe with a diamond pattern, radiating light through its intricate facets. The globes are suspended from elegant interlaced chains, secured by a circular frame richly adorned with rams' head mounts and classical laurel garlands, motifs emblematic of neo-classicism.
