

A PAIR SILVERED F&C OSLER BOWL FITTINGS

Thomas F&C Osler

£14,500

REF: FA1615

Height: 117 cm (46.1")

Diameter: 40 cm (15.7")

Description

An elegant pair of Victorian period lights, finely crafted with cut glass bowls suspended from silvered fittings. Each light features a scalloped rim above a richly diamond-cut body, the precise faceting creating a mesmerising play of light. The bowls are suspended by an ornate ceiling rose with acanthus leaf detailing and central rod support, terminating in a finely cast finial. Three beaded glass chains also inter link the ceiling rose with the glass bowl.
