REF: FA1600

Height: 14 cm (5.5")

Diameter: 6.5 cm (2.6")

Description

The ogee bowl painted in opaque white with an unrecorded Beilby scene of Tervet Mill, showing two figures at work in a landscape, perhaps felling a tree, a dog to their right and a tree to their left. On a double-series stem with a fourteen-ply spiral band around a vertical gauze, over a conical foot.
