£585

REF: FA1498

Height: 29 cm (11.4")

Width: 11.5 cm (4.5")

Depth: 14 cm (5.5")

Description

A cut glass claret jug of elegant tapering form, exemplifying the refined craftsmanship of early 19th century glassmaking. The body is decorated with broad slice cut panels that rise gracefully from a radial base. The neck features a series of horizontal step cuts, adding both texture and visual balance, while the elegantly shaped handle is applied with precision and poise. The jug is topped with a polished spherical stopper, its slice cuts echoing the rhythm of the body below.
