

A FINE SET OF FOUR EMPIRE CANDLESTICKS BY CLAUDE
GALLE

£16,000

REF: FA1327

Height: 25 cm (9.8")

Diameter: 12.5 cm (4.9")

Description

The set of four ormolu and bronze candlesticks each with an urn-shaped nozzle, cast with stiff leaf motifs above an acanthus leaf drip pan. This supported on three classical female caryatid heads, above a tapering bronze stem. This terminated by three pairs of human feet, standing upon a foliate band seated on a domed circular base, cast with anthemions.
