Width: 122 cm (48")

Description

A highly important 20 light cut-glass chandelier by F&C Osler, the baluster shaped shaft with cascading drapes and shepherd crooks these surmounted by spires crowning the diamond cut baluster shaft, twenty thumb cut candle arms arranged on two levels these arms surmounted with flat diamond cut drip pans and egg shaped candle nozzles, the chandelier is richly draped with flat back spangles and pear shaped finial drops.

A highly important set of four cut-glass silver plated wall lights by F&C Osler. The central arm plate supporting five candle arms arranged on three different levels these arms surmounted with flat diamond cut drip pans and egg shaped candle nozzles. The arm plate surmounted by a richly cut container terminating with a arrow head finial. The wall lights supported on a round, slivered-brass back plate (stamped F&C OSLER) this back covered with a richly cut glass dome. The wall lights all of the finest quality and richly draped with flat back round spangles and pear shaped finial drops.

Height 26" (66cm)

Width 25.5" (65cm)

Depth 16.5" (41cm)

Wall lights and chandeliers of this size and quality are extremely rare by the maker F&C Osler, they produced some of the most impressive cut glass items ever made these included glass furniture, chandeliers and many other items in royal collections.
