REF: FA1151

Height: 31 cm (12.2")

Diameter: 14 cm (5.5")

Description

A superb pair of elaborately cut glass semi-ships decanters of royal pattern by Perrin & Geddes of Warrington, the base with double diamond bands divided by vertical mitre-cuts, tapering to diamond-cut gadrooning bodies with diamond neck ring, the decanters unusually with double poring lips fitted with corresponding radial-cut stoppers.
