

AN ELEGANT CUT GLASS GEORGIAN DECANTER

Sold

REF: FA1559

Height: 26.5 cm (10.4")

Diameter: 10.5 cm (4.1")

Description

A refined Georgian period cut glass decanter of understated elegance and perfect balance. The body is delicately decorated with petal-shaped flutes, their simplicity allowing the glass's clarity to shine. The neck is adorned with a series of cut rings, adding rhythm and texture to the otherwise smooth form, topped with a finely cut lozenge stopper.
