FINE ANTIQUE LIGHTING & GLASS

A FINE REGENCY STORM LIGHT CELEBRATING THE BATTLE OF TRAFALGAR

Sold

REF: FA1315

Height: 59.67 cm (23.5")

Diameter: 17.14 cm (6.7")

Description

The gilt lacquered square plinth base with cylindrical drum decorated with central anthemion and knurled socles, issuing a fluted bronze column terminating with a foliated mount with key pattern motif, this supporting a opaque glass shade finely decorated with scenes of HMS Victory and the British fleet after the battle of Trafalgar, again with a key pattern motif and foliate scroll.
